{flv}crosscreek_high{/flv}

CrossCreek Golf Course is one of the most naturally beautiful and undiscovered golf courses in the San Diego / Riverside County area. Crosscreek is located just 50 minutes north of downtown San Diego just off of I-15. This Arthur Hills designed golf course is one of the few golf courses designed without homes hugging every fairway and tee box. CrossCreek promises golfers a peaceful and relaxing "back to nature" round of golf. The only noises you'll hear are the singing of the birds and the wind rustling through the branches of the many oak and sycamore trees. Golf Digest has ranked CrossCreek with 4 ½ Stars.
