San Diego Golf Courses

Welcome to Sunny, San Diego, California - the perfect year-round golf destination and the fastest growing destination for golf in California if not fastest growing golf destination in the whole U.S.A.

Of course Torrey Pines Golf Course and the La Costa Golf Resort & Spa are the most famous golf courses in San Diego but the San Diego golf scene has much more to offer beyond those two world-renown golf courses. Listed below are the 20 best golf courses in San Diego that we recommend along with a brief description of each.

- Arrowood Golf Course
- Aviara Golf Resort
- Carlton Oaks Golf Course
- Carmel Mtn Ranch Golf Club
- Crosscreek Golf Course
- The Crossings at Carlsbad
- Eaglecrest Golf Course

- Eastlake Golf Course
- La Costa Golf Resort
- Maderas Golf Club
- Rancho Bernardo Inn Golf Resort
- Riverwalk Golf Course
- Salt Creek Golf Course

- Steele Canyon Golf Club

- Sycuan Golf Resort & Casino
- Temecula Creek Inn Golf Resort
- Torrey Pines Golf Course
- Twin Oaks Golf Course
- The Vineyard Golf Course

With an average annual rainfall of about 5 inches, the San Diego golf climate seasonally ranges in temperature from 60 - 85 degrees, with 75 degrees being the average. It literally does not rain at all in San Diego for 6 - 8 months at a stretch. (April - Oct) Year-round golf weather doesn't get much better than that!

document.write(" ");

Counting every Private and Executive / Par 3 golf course in San Diego, there are well over 90 golf courses in San Diego and the San Diego County area. The green fees to play these San Diego courses are an absolute bargain in comparison to other golf destinations in the country. The quality, variety and design of the layouts are very impressive and offer all types of golf experiences to fit anyone's budget.
