* IMPORTANT NOTE for NON-RESIDENT Golfers::

You CANNOT book Torrey Pines Golf Course tee times online on this website or any other website. ALL non-resident tee time reservations must be made by phone. Contacting Torrey Pines by phone to reserve a tee time can be very difficult, time consuming and frustrating; and the procedures for reserving a tee time and paying the Advance Booking Fee, Green Fees and Cart Fees are also very unique.

Our Partner, San Diego Golf Reservations provides a service of assisting non-resident golfers with securing confirmed Torrey Pines tee time from 8 - 90 days in Advance. There is a \$ 25 per player service/coordination fee ONLY payable if they are successful in reserving the tee time on the date and time you have requested.

all 866-690-2154 or Submit a Torrey Pines Tee Time Request by email and a Golf Coordinator will call you.

San Diego Golf Reservations also makes FREE tee time reservations at 22 of San Diego's BEST Golf Courses.

Torrey Pines Tee Time GUARANTEE: If due to non-availability, San Diego Golf Reservations CANNOT secure the Torrey Pines tee time you desire they will arrange a tee time for you at another San Diego Golf Course and give each player in your group a \$ 10 discount off the regular green fees. (sorry, no discounts off of any specials or the already discounted twilight green fee rates)

* IMPORTANT NOTES for RESIDENT Golfers:

San Diego Golf Reservations no longer provides Torrey Pines Tee Time reservation services in the RESIDENT Call-in Phone Lottery System.
